Subject: FW: Legends Neighborhood Watch Alert

05/01/2006

Last Friday night, 4/28, a home was burglarized in The Legends. Charlene Miller of the Boise Police Department said that 3 males (two 17 year olds and one 18 year old), decided to burglarize a house on the 13100 block of Telemark. The father of the sleeping family woke up to a prowler in his house and chased him with a bat. All three suspects were caught and arrested.

Just to the North of us in Hobbles Creek, also on Friday night, someone siphoned out all of the gas from a truck that was sitting in the driveway. A police report is being filed.

There were also complaints (to the police department) of 10-12 teenagers running through yards at about 10:30 Friday night and then again around 11:00pm.

With the evenings getting warmer and staying lighter longer, the kids will be out and about more. This also serves as reminder that the best deterrents to property damage and theft are the three D's: Deter, Detect, and Delay. These are outline in a 16 page booklet called Preventing Burglaries--How to Protect Your Home. This home security book may be viewed/downloaded/printed by visiting our web site here:
